

League of Women Voters

HONG KONG UNIT

The League of Women Voters was founded in the United States in 1920 as a non-partisan organization focusing on public policy issues. League membership is open to both women and men and available to all nationalities.

What does the HK League do?

The HK League studies current United States and Asia Pacific issues through:

Monthly discussion meetings
Evening events
Guest speakers

HK League Representative Programs

Election year candidate overview
Accounting Ethics
Beijing Olympics
Tibet
The Economics of the Baby Boom Generation
WTO
Cloning
Genetically Modified Foods
India
US - Republic or Democracy
The Papacy
China's Future Leaders

How would the HK League be described?

Challenging & Contemporary This small, easy-to-know group researches and discusses issues relevant to United States citizens as well as citizens of other countries.

Informative Lively discussions provide intellectual stimulation and foster informed decisions.

Proactive The HK League conforms to the U.S. League's support of non-partisan citizen advocacy in the United States.

Mission Statement

The mission of the League of Women voters is to promote informed and active participation of citizens in their government and to influence public policy in the United States through education and advocacy.
